YOUTH

THE
ESSENCE
OF
LIFE,

in a world of bewildering
CONTRAST

I have died in Vietnam.
But I have walked the face of the moon.

I have divided schools with my prejudice.
But I have sent armies to unite them.

I have beat down my enemies with clubs.
But I have built courtrooms to keep them free.

I have outraged my brothers in the alleys of the ghettos.
But I have transplanted a human heart.

I have watched children starve from my golden towers.
But I have fed half of the earth.

I am ashamed.
But I am proud.

searching for an IDENTITY

I am I.

I am unique,

And in this uniqueness lies my identity.

I assimilate facets of my environment,

Incorporating some immediately,

Adding one more unit to my building of being.

Others I savor and ponder,

Tasting them for personal suitability.

Some I file for future reference.

Nothing is discarded,

Refuse of a regimented mind.

I reach out to the world,

Extending sensitive fingers

To probe that which I do not understand.

I feel,

And for this feeling I am vulnerable to pain.

I can be crushed by the blow of a well-aimed word

As well as by a fist.

I think.

I wonder why,

And I construct analogies to link ideas.

I criticize myself

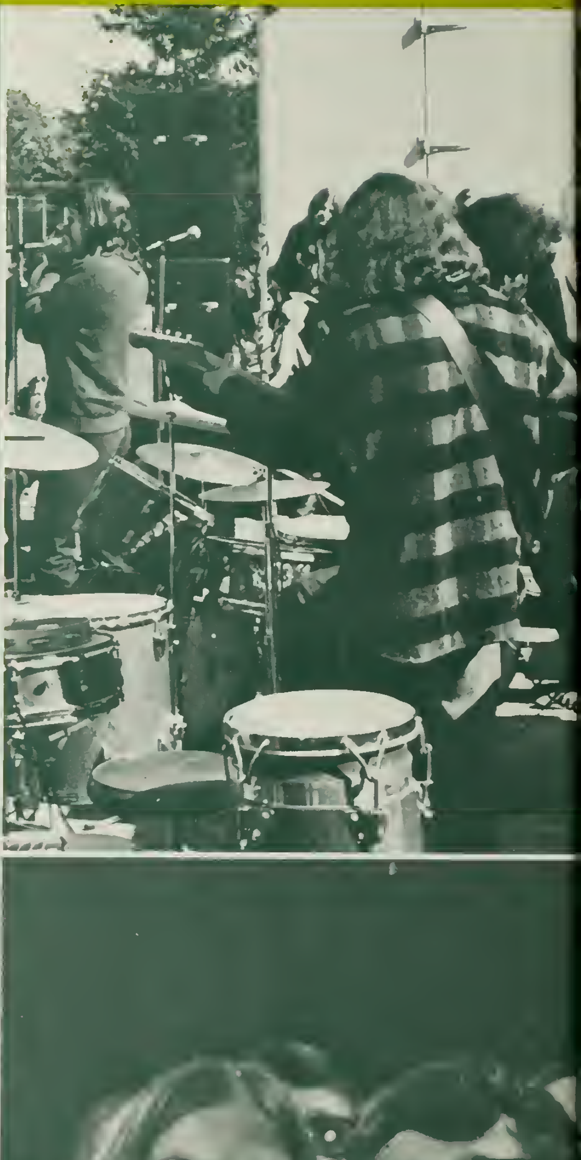
And listen to the truth of my existence.

I hear with attuned ears the message of my soul.

I live.

Carol Ciosek

through involvement



There is more to finding a life style

than thinking your own thoughts.

Associating with other people is important.

Their styles may be different,

but they can give you clues.

THROUGH BROTHERHOOD

The road is long,
With many a winding turn
That lead us to who knows where;
But I'm strong,
Strong enough to care.
He ain't heavy, he's my brother.

So along we go;
His welfare is my concern;
No burden is he to bear.
We'll get there;
For I know
He would not encumber me.
He ain't heavy, he's my brother.

If I'm leaning at all,
I'm leaning with sadness;
That everyone's heart is not filled
With the gladness and love
For one another.

It's a long, long road
From which there is no return.
While we're on the way to there,
Why not share?
And the load doesn't weigh me down at all.
He ain't heavy, he's my brother.

Through
EDUCATION

It is the task
of the liberal institution,
as of the
liberally educated man,
continually to translate
troubles into issues
and issues into
the terms of their human meaning
for the individual.

C. Wright Mills

THROUGH FEELINGS

Sensations sweet
Felt in the blood,
And felt along the heart.

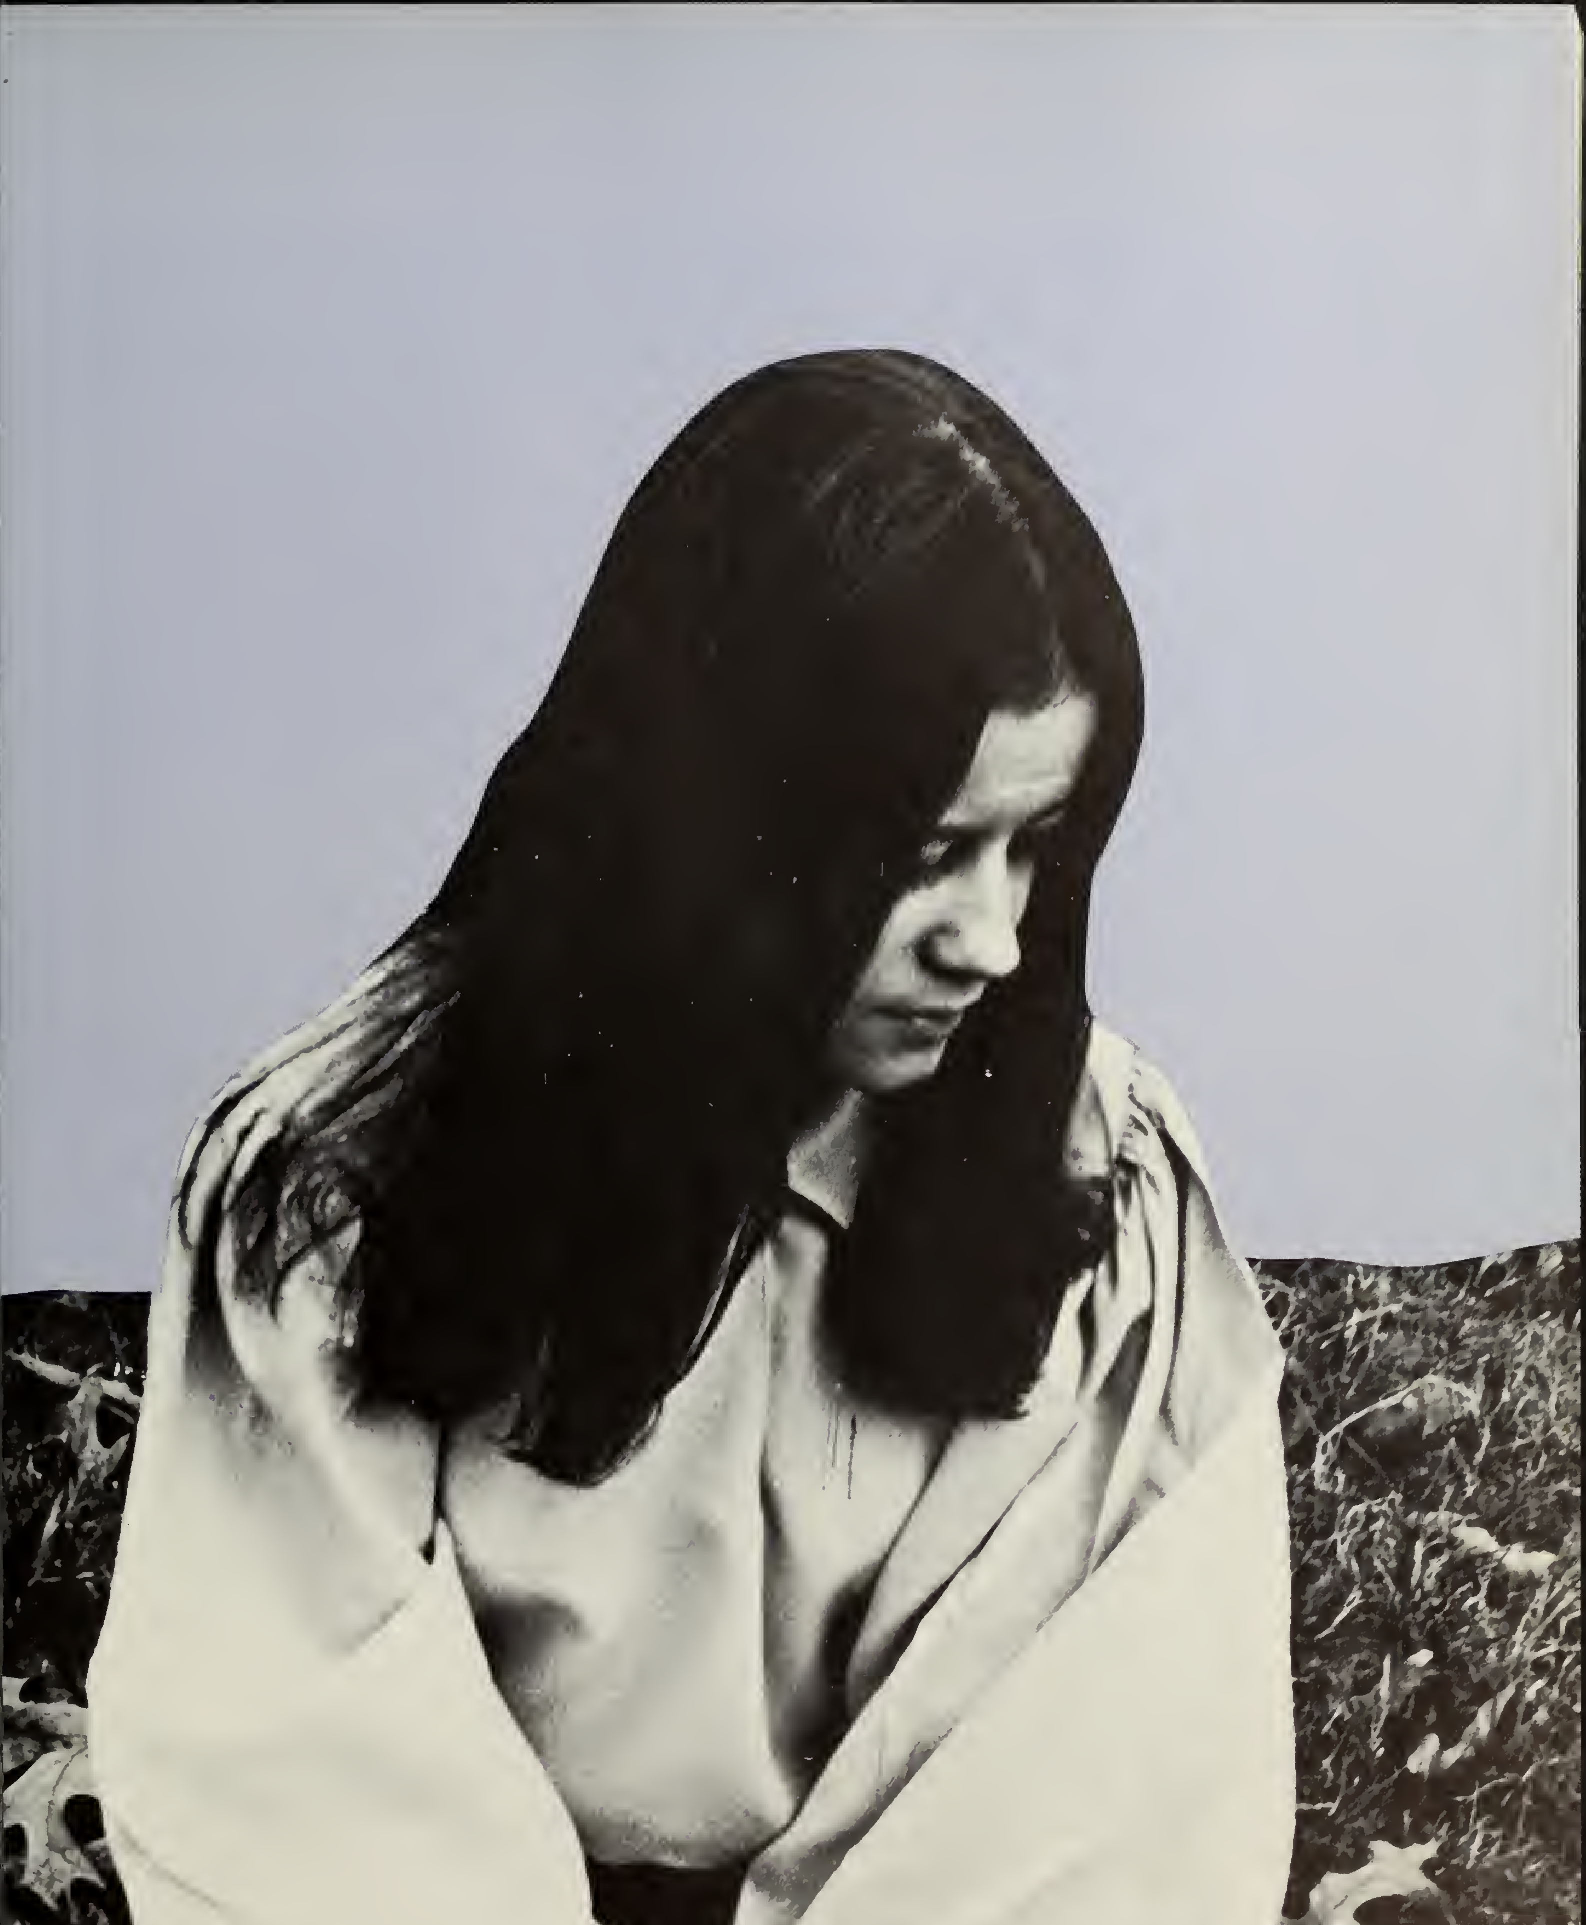
WORK FOR
PEACE
STOP
KILLING

If I could convince myself that I have any right to be satisfied with men as they are, and to treat them accordingly, and not according, in some respects, to my requisitions and expectations of what they and I ought to be, then, like a good Mussulman and fatalist, I should endeavor to be satisfied with things as they are, and say it is the will of God.

Henry David Thoreau



IN AN EFFORT TO UNDERSTAND.

I touched the sky when I was small,
But not before I scraped my knee.
I grasped the tumbling leaves in fall,
And scrambled up an apple tree.
When school was such a kindergarten,
Alphabets and telling time,
Excitement so surrounded then
The riches of a single dime.
More wondrous was each Saturday!
I spinned and watched the world go 'round,
With arms spread wide, cares spun away,
And I fell laughing to the ground.
When mornings brought the sun to me,
When music was the rain,
I dreamed of what I wished to be,
Then laughed out loud again.
I drew the world in crayon,
And giggled at cartoons.
Forever would my life sail on
Like carnival balloons?

The sky is farther from me now
Than when I was a child.
I'm learning all reality can teach.
It's been the longest time since the sun
Looked down and smiled.
And the Saturdays I knew soar out of reach.

WOR

We here at Comp
feel honored to have in our midst
a compassionate man
who harbors such an enduring
faith and interest in students
that we gratefully accept
this opportunity to
express our esteem for him.
For those who have
become acquainted with him,
he has been a friend
as well as a counselor
and has labored
selflessly
to help students
find and fulfill
their goals and ambitions.
He has respected
our dreams
and individualities,
thereby opening widely
the door to communication.
For this
we are truly thankful
and therefore dedicate
the 1970 Memini to
MR. DEFLORIO.

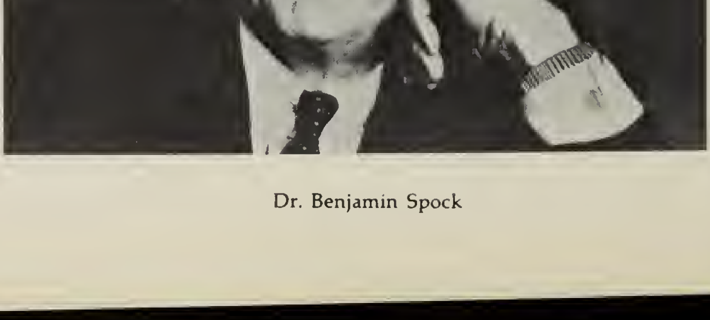
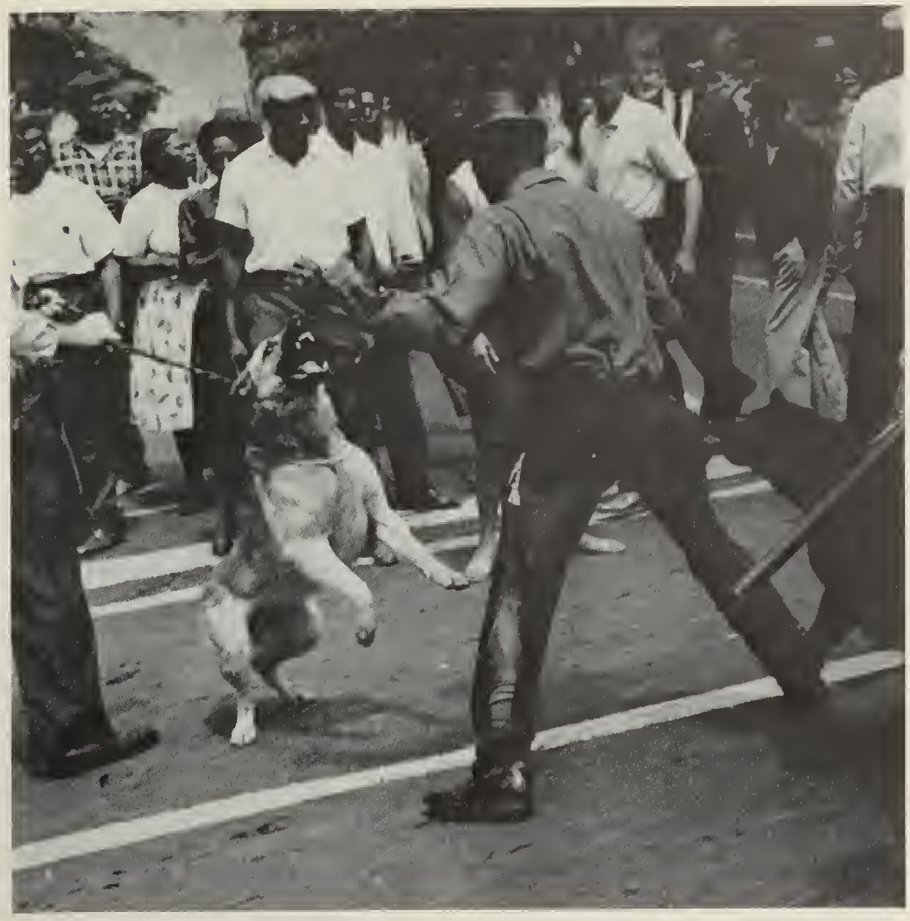
THE 60's will long be remembered as an incredible decade, a time of tremendous change and turbulence. Although a generally optimistic feeling prevailed during the first few years, troubled undercurrents exploded in the second half of the decade, beginning with the Watts riots. Race, youth, violence, lifestyles, and, above all, the Vietnam war became the major stimulants of restlessness, uncertainty, and strife. To some, the Sixties were an era when civilization itself came under siege and traditional values and institutions were not only questioned, but opposed. To others, the Sixties stood out as a time when honest efforts were made to face up to some long-standing grievances in this world. However, all people were united in the hope that out of this travail would come forth a better world.

Appeals for an end to American involvement in Vietnam, the draft, the nuclear and biological arms race, and war itself came forth from both young idealists and distinguished adults who were sensitive not only to inhumanity, but to the need to concentrate our efforts upon pressing problems at home.



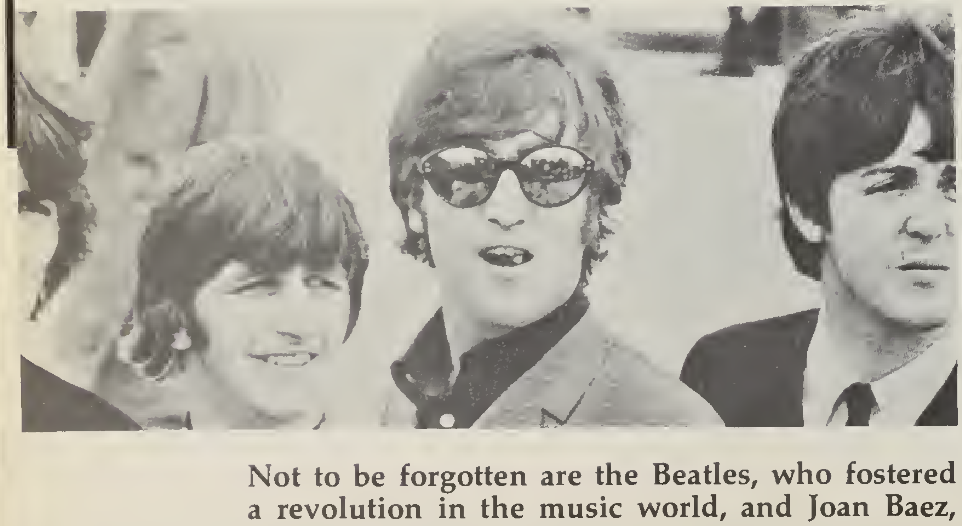
Dr. Benjamin Spock



The Negroes' rightful struggle for dignity and status continued to meet with resistance during the Sixties. Nonviolence was met with violence, and as the decade developed, expressions of rage were heard and seen throughout the country.

Amid national turmoil, Americans were brought together in their grief over the assassinations of three revered men: John F. Kennedy, Martin Luther King, Robert Kennedy. Our nation was denied their leadership at a time when the guidance of our people by their hands was needed most.

The Sixties also witnessed a "hurricane of unrest" as student dissension blossomed on campuses at home and around the world. Protests of American students were centered around Vietnam, racial discrimination, the nuclear arms race, and educational reforms, but often blurred into a broad assault on the Establishment. Demonstrations ranged from nonviolent sit-ins to forceful seizures of campus buildings, and police confrontation with the students became commonplace. At Columbia, the university president fell. In Mexico, the Olympics were threatened. In France the DeGaulle government tottered. In Germany, the worst riots since the rise of Hitler occurred.



Not to be forgotten are the Beatles, who fostered a revolution in the music world, and Joan Baez, high priestess of the folk movement.

There were many "firsts" during the Sixties, but two of the most extraordinary were certainly that of a man being able to look at his own heart —

and the realization of a dream that put a man on the moon. Was the greatest technological achievement of our time a step forward — or civilized man's most profound mistake?

Undoubtedly, The 70's Will Also Be
For In The Next Ten Years Lies Man's

Campaign To Comfort And Conserve Our Ravaged Earth,

"We have created ugliness where there was beauty. We have done gratuitous violence to other living things. Our pollution of the air itself is nothing less than an act of suicide. We have forgotten what pure water tastes like. So many rivers and lakes are thickened with excrement — industrial, agricultural, human — that we drink a dilute chlorine solution instead. We mortgaged our good land. We went on a spree. We bought, we wasted. Now there's a bill to be paid. Our future is in danger."

Spiritual

Fulfillment,

And Learn To Love And Respect His Fellow Man, Regardless Of Race.

"About two million years ago, man appeared. He has become the dominant species on the Earth. All other living things, animal and plant, live by his sufferance. He is the custodian of life on Earth. It's a big responsibility. The thought that we're in competition with Russians or with Chinese is all a mistake, and trivial. Only mutual destruction lies that way. We are one species, with a world to win. There's life all over this universe, but we are the only men.

Our business is with life, not with death. Our challenge is to give what account we can of what becomes of life in the solar system, this corner of the universe that is our home and, most of all, what becomes of men — all men of all nations, colors, and creeds. It has become one world, a world for all men. It is only such a world that now can offer us life and the chance to go on."

Mr. Stanley J. Ziemba, Principal

May I extend to each and every member of the graduating class my warmest congratulations. You have completed one phase of your formal education. It is my hope that you have done your very best in every undertaking while you were a member of the student body at Comprehensive. It is also my wish that you continue in the future to live the kind of life that will bring you a good measure of success and happiness.

Remember that true success is not measured by how much money you accumulate but rather by how much happiness you can achieve by doing things for others.

Best of good fortune and sucess in every way to each and every one of you.

Sincerely yours,
Stanley J. Ziemba

Student Government

Reflecting current trends in American education, the Student Council at Comp is going through a period of organizational change. For example, steps have been taken to modify the constitution and to form a Student-Faculty Advisory Board. This board will bring Comp students directly into the school's planning and operation.

As it achieves this change, the Council is experiencing the quandary facing educational institutions throughout the country. Everywhere, previously accepted assumptions about the school life and the student's place in it are being challenged. This confrontation means that school administrators are more often forced to decide when to compromise and when to stand fast. The words of John Gardener, chairman of the Urban Coalition, may clarify their quandary — and their responsibility:

"In short, (men) must be discriminating appraisers of their society, knowing cooly and precisely what it is about the society that thwarts or limits them and therefore needs notification. And so they must be discriminating protectors of their institutions preserving those features that nourish and strengthen them and make them more free."

The Student Council is to define the issues of student life and to provide useful ideas for secondary school principals, advisors, and members of the student body as they attempt to balance change with stability. I believe these goals will gradually be achieved.

Student Faculty Advisory Board

Sitting. Eric Batson, Ken Olbrych, Michael van Dyke. **Standing.** Susan Rivest, Kathy Panagotopulos, John Horack.

The Student-Faculty Advisory Board is a committee consisting of fourteen teachers and students. The seven students are recommended by their fellow colleagues. The purpose of the board is to openly discuss the problems of the school before Mr. Stanley Ziemba, Principal, and Mr. Mitchell Kuzdzal, Vice Principal. The Student-Faculty Board is still in its premature stages.

The teachers involved with the Student-Faculty Board are: Mr. Chelte, chairman, Mr. Pearson, Miss Mac Donald, Mr. Dulchinos, Mrs. Winningham, Mr. Oslinski, and Mr. Geanocopoulos.

Participating students are: Ken Olbrych, chairman, Eric Batson and Michael van Dyke, co-chairmen, Patrick Tower, senior representative, Kathy Panagotopulos, junior representative, John Horack, sophomore representative, and Susan Rivest, freshman representative.

Sophomore Class

The school year 69-70 was the first year of organization for the class of '72. It began with the inauguration of its officers in the early fall. Later on, the sophomore class was fortunate enough to win the interclass drama competition. As their first project during the Christmas season, they started a fund-raising campaign for Sunshine Village, collecting $155.

Sophomores also walked away with most of the athletic event trophies during the Winter Carnival, and subsequently won the overall trophy. Then, on March 5, they were measured for their class rings. With the coming of spring, the sophomore class has definite plans for a prosperous junior year.

Junior Class

Officers: Stephen Rattigan — President; Debbie Smith — Vice President; Joan Frankiewicz — Secretary; Kathy Moran — Treasurer.

The seven letter word "success" has become symbolic with the Class of '71. The initiative and drive in this group of students never seems to cease; this year, the profits from their major sales of magazines and candy soared to exceptionally high levels.

Their interest in the class was displayed not only with money-making projects, but also on an extra curricular basis. A tremendous amount of time and effort was put forth by the male members of the Junior Class on the competitive teams of football, soccer, hockey, swimming, track, basketball, and baseball. All tried their hardest and succeeded to bring both enjoyment to the spectators and recognition to the school.

Participation in the music field was a combined effort of boys and girls, which resulted in worthwhile entertainment at many fine assemblies.

Clubs and scholastic teams also saw Junior participants present at their meetings.

Perhaps the best way to sum up this energetic display of vibrant enthusiasm lies in the class cheer, for:

No matter what is said,
No matter what is done,
No one can surpass
the Class of '71!

Advisors: Miss Julie Sittard and Mr. Conrad Rivest.

To the Class of 1970:

As your graduation approaches, you will be lost in a reverie of thoughts about the joys and sorrows of the past years. As your future approaches, you will become members of a new society, hesitant about taking your first steps or plunging into a world filled with knowledge and effervescence.

We, as Class Advisors, express our gratitude to you for being who you are and making these past years so successful and enjoyable. Your achievements have been numerous and will remain embedded in the soul of Comprehensive forever.

For you, we wish success in all your endeavors and success in making your aspirations a reality. May you find life filled with prosperity. May you enjoy good health throughout your future years, and may you dwell in blissful happiness from now to eternity.

The Class of 1970 will always hold a special place in our hearts, remain in our thoughts and be in our prayers as you go through the years serving man, your country, and God.

This year's Pro-Merito organization has been unique in many aspects. Not only was it the largest group ever to receive this honor at Comp, but the members operated the famed "Book Nook". Unfortunately, the group also achieved another "first" this past year when it was deprived of its privileges for a month due to the rambunctious behavior of a few boisterous individuals, among other reasons.

As Schools Match Wits Team

Defeating Amherst Regional, Ware, Ludlow, and Holyoke High, the As Schools Match Wits Team qualified for the semifinals which would decide the championship for the first round. In the semifinal match, Comp was defeated by East Longmeadow High School 205-90. East Longmeadow then went on to win the championship. The Comp team, chosen in September by competitive tryouts, consists of four members and one alternate.

Our school newspaper, the Comp Chronicle, provides entertainment in its eight issues with student-interest news stories, editorials, humorous features, and miscellaneous topics such as personality outlines and class notes. The Journalism class and its advisor, Mr. Joseph Cotton, have spent many hours writing, rewriting, and typing stories to be used in the newspaper. "Newsroom" 222, 7th period, has been buzzing all year with newspaper-oriented activity in order to put out a praiseworthy school paper.

Music — William E. Sittard

The Performing Arts Council, devoted to the promotion of all the performing arts, is an extracurricular organization working in conjunction with the established curriculum to broaden the base of the cultural experience of all the students at Comp. A combination of Drama Club and band officers, the Council works with the Music and English Departments and the Project Kulturama to provide enriching activities both within the school day, as well as after school. This year, PAC sponsored the Inter-Class Competition, Jazz Poetry Night and the first Comp musical as new activities at Comp. Additionally, their efforts expanded the Christmas Concert and presented the Smithsonian sponsored Allen Stevens Puppets to the student body.

CHICOPEE COMPREHENSIVE HIGH SCHOOL

SPORTS

Soccer '69

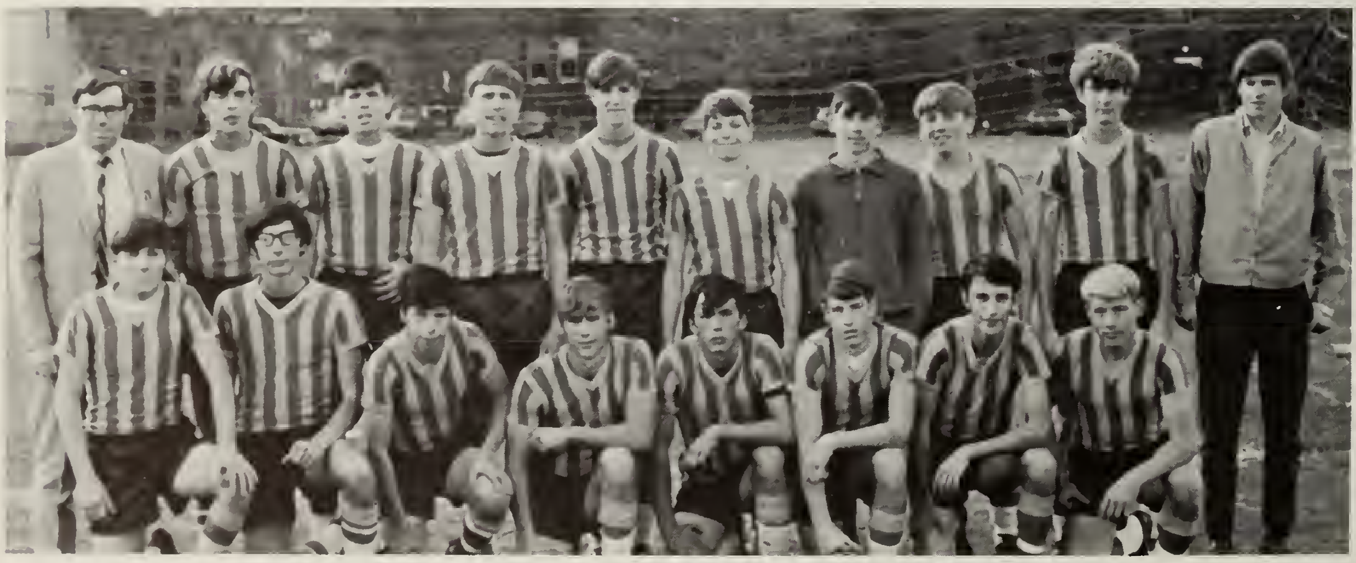
Coach Davis paces sidelines during Chicopee halftime.

The Chicopee Comprehensive soccer team finished another successful season (8-3-1) by placing second in a strong Pioneer Valley League behind State Champion Chicopee High School. The Colts, paced by First Team All-Western Mass., First Team All-Pioneer Valley co-captain Mike Breault, First Team All-Pioneer Valley co-captain Mike Jozefczyk, and Second Team All-Pioneer Valley Ron Nentwig, along with seniors Don Plouffe, Bud Therrien, Rusty Hakenson, Chris Labonte, and Ed Martel, juniors Paul Whalley, Leon Guilbeault, Mark Biela, and Mark Dubilo, sophomores George Babineau, Kevin Hundley, Skippy Martel, also gained a berth in the Western Mass. Tournament. Playing the dark horse role, the Comp soccer team conquered Holy Name of Worcester 3-1, but was trimmed by a powerful Ludlow High team in a quarter-final match by the score of 4-1.

The 1969 Colts, who finished higher than any previous Comp team in the Pioneer Valley League, played more than half of their games with valuable personnel injured. Nonetheless, first year coach Mr. Davis' team played inspired ball on their way to establishing what is hoped to be a precedent in competitive soccer teams.

The booters, who barnstormed the league by winning their first five games, were an evenly balanced team. Defensively, the Colts depended largely on the steady play of goalie George Babineau, two-time All-Western Mass. fullback Mike Breault, and halfback Mike Jozefczyk. Offensively, the Colts relied heavily on the efforts of halfback-shooter Leon Guilbeault, forwards Ron Nentwig, Don Plouffe, and Paul Whalley.

Although the Comp soccer team has had two exceptional back to back seasons, further success will depend largely on finding a suitable replacement for senior-standout Mike Breault. Mike, who has been playing super soccer for the Colts for three years, spearheaded a fine all-around defense for the team, which included a superb effort against an unbelievable Chicopee squad.



Kneeling: Ron Nentwig, Mike Jozefczyk, Chris Labonte, Buddy Therrien, Mike Breault, Don Plouffe, Ed Martel, Rusty Hakenson. **Standing:** Coach Billy Davis, Leon Guilbeault, Steve Mancini, Kevin Hundley, Mark Dubilo, Skippy Martel, George Babineau, Paul Whalley, Mark Biela, Billy Conroy.

In the Chicopee game, the Colts stymied a dangerous Chicopee scoring attack as they held the Pacers to a scoreless first half. In the second half, however, Chicopee forward John Coburn broke the tough defense to score what turned out to be the only score as Chicopee triumphed 1-0. Although the score may not indicate so, the Comp booters also played a superb defense in their 4-1 loss to Ludlow in the Western Mass. Tournament. After taking a 1-0 lead on an excellent goal by senior Ron Nentwig, the Colts were surprised by an amazing Ludlow attack.

Although the Colts will miss the services of co-captains Mike and Mike, and Ron, Don, Rusty, Buddy, Chris, and Ed, the Comp soccer team will have another fine season next year. The 1970 Davis booters will be paced by co-captains elect Paul Whalley and Leon Guilbeault.

The season was not very successful in terms of wins and losses, but the team never stayed down long. The boys were always ready to bounce back and give 100% effort, which is all one can ask.

The 1969 football season started on Labor Day, September 1. Led by coaches Leroy White, Bill Delaney and Arnold Huhtamaki, the football team readied itself for the opening game with Cathedral, just twenty-six days away. The team started with sixty hopeful candidates and was soon reduced to forty members. Most of these players were sophomores and juniors, and so the team was aptly described as "green." Those twenty-six days were brutal, but by the twenty-seventh, the team felt it was ready.

In the opening game of the season against a strong Cathedral team, the first half was dominated by the opposition as they belted to a quick 12-0 lead. The Colts then stalled the Cathedral attack in the second half, which prompted people to believe that better things were on the way. In the Colts' second game the team was to face a very powerful Holyoke team. Most people did not give the young Colts much of a chance, but the team realized its potential. The Colts marched up and down the field, but were still on the losing end by a score of 24-16. The next week the Colts suffered a mental letdown after two heartbreaking losses and were beaten 28-8 by a good West Side team. Even though the boys lost three games, they worked hard for the Greenfield game and were rewarded by a 14-8 victory, The next week the Colts were beaten by Tech 28-18 as both teams put on a tremendous offensive show. The following game was one of the greatest ever seen in the Western Massachusetts area. This Saturday a hungry Westfield team came to Szot Park looking for a win. In the first half they virtually blew the Colts off the field as they held a commanding 22-6 lead. In the second half Comp decided to play football and scored as unbelievable 28 points in the final period to eke out a 34-28 victory. During the next two weeks of practice the Colts worked extremely hard and were confident of pulling an upset over the top-rated team in the area, Chicopee. This was never to be, however, as Chicopee proved to be too much for the team to handle and won 34-0. The Colts did come back, however, to thrash Agawam with another outstanding second half effort to earn a 24-16 victory.

Cross Country '69

Cross country was a new sport at Comp this year, with Mr. Vyce presiding as coach. In this sport, eight runners from each team run a two to five mile course with points awarded according to the order of finish. The team with the low score wins. The course can be set over any kind of terrain, including hills, woods, fields, and roads.

Senior co-captains Mike Parent and Karl Foerster paced the team with fine and consistent performances. The highpoints of the season were the victory over Chicopee, the victory over Agawam, and the near upset of Holyoke Catholic, a league power.

Seniors who ran for their first and last season are Mike Parent, Ed Tanguay, Gary Balthazar, Joe Klofas, Omer Dumais, Peter Strempek, and James Watson. Although the team will be hurt by this loss, Coach Vyce expects a good season from Dave Desmarais, Steve Ferguson, and Larry Fredette.

Basketball '70

This year's basketball team, after having lost four of last year's starters, still managed to be an upset threat to every team the boys faced this year. Led by seniors Joe Klofas, Ed Tanguay, and Mike Breault, and juniors John Zieja and Paul Jasinski, and ably supported by Ken LaRocque, Jim Ferriter, Ferman Jamison, Pete Strempek and Ray Tadeo, Mr. Vyce's cagers rolled up a 9 win — 10 loss record for their first year coach, notching fourth place in the tough Valley-League.

Next year's Colts will miss the outside marksmanship of Klofas, Tanguay, and Breault, but have championship potential due to a strong, experienced front line consisting of Paul Jasinski, John Zieja, Ferman Jamison, Addison Becton, and Don Ford, the last two coming up from the J.V.'s. Backcourt hopefuls will be Ray Tadeo, Mark Biela, and Kevin Hundley, also up from Mr. Davis' fine J.V. squad.

Hockey '70

The 1969-1970 edition of the Chicopee Comprehensive hockey team posted an 8 wins — 7 losses — 3 ties record in the Wright Division of the Western Mass. Hockey League. Even though the Colt skaters finished above .500 in the league standings, they finished only fifth out of seven teams, as the front runner of the league finished well above the rest of the league. Led by Coaches Alfred Pinciak and Leslie Dinsbach, the Colts overcame a slow start to end up with a respectable record in a tough league.

The Pucksters, who depended largely on the outstanding performances of Senior M.V.P. Captain Ron Nentwig, were, however, denied a berth in the Western Mass. Tournament. Ron, who during the season became the first Comp hockey player to gain the Player of the Week Award, led the Colts to many gruelling victories. Also aiding in the overall performance of the team was senior co-captain goal-tender Mike Jozefczyk. Mike, whose goals against average per game was a shade under three, was called on to make some twenty-five saves each game enroute to a fine season. Senior co-captain Dan O'Neil turned in a good season, although being shifted from wing to defense.

Because the Colts played with only three seniors, their future looks bright. Juniors Ron Bernash (the most improved player on the team), Jean-Guy Aube (the team's leading scorer), and Bob Demers and freshman sensation Scott McChesney form the nucleus of next year's team.

A combination of team spirit and continuous hustle could make the 1970-1971 Colts a serious threat to their opponents.

Swimming '70

This year the Comp Varsity Swimming team, led by co-captains John Mazurowski and Ed Klofas, finished seventh out of eighteen teams in Western Massachusetts. Though plagued by a lack of depth, the team did possess many individual strengths. Of the sixteen swimmers on the team, eight placed highly at the Western Mass. Championships held at Holyoke High.

The first relay, consisting of Rick Doucette, Dave Hebert, Ed Soar, and Mark Goebel, put in a fine performance, taking third place. Co-captain Ed Klofas placed ninth in the 200 yard Individual Medley and later took a sixth in the 100 yard backstroke. John Mazurowski, who during the season smashed the existing pool and school record (173.56 pts.), setting the new record at 198.10 pts., took a strong second in the diving competition. Swimming the

100 yard butterfly, Pete Czajkowski placed twelfth. Comp's breaststroke aces, Wayne Deloria, who is only a sophomore, and Dave Hebert took an impressive third and tenth, respectively. Larry Davis placed twelfth in the four hundred yard freestyle. Finally, Ed Soar, Rick Doucette, Mark Goebel, and Pete Czajkowski teamed up for a strong sixth place in the final event, the 400 yard freestyle relay.

Next year's team will feel the hard losses of seniors John Mazurowski, Ed Klofas, Pete Czajkowski, and Dave Hebert. Scoring over a hundred points for the Colts this year, John Mazurowski will be hard to replace. Besides his exceptional diving, he swam the 100 yard butterfly this year. Comp's other co-captain, Ed Klofas, who also scored over a hundred points, swam everything from the relays to the 400 yard freestyle in his four years. Pete Czajkowski, the team's butterfly and freestyle specialist, and the breaststroke ace, Dave Hebert, have also won their last races for the Colts.

Back to help the team's outstanding coaches, Mr. Kijak and Mr. Goulet, fill the gaps next year will be several fine juniors. Ed Soar, the sprinter of the team, scored the third highest point total this year. Rick Doucette will probably swim the backstroke and replace Johnny on the board. Mike Grey will be back to swim the fifty and hundred freestyle. Not to be overlooked are the sophomores. Breaststroker Wayne Deloria, one of the best in the state, distance men Larry Davis, Bob Piela, and Pat Murphy, freestyler Joel Monahan, and sprinter Mark Goebel will all be swimming for Comp next year.

With a little more depth next year, and some help in key areas, the Colt Mermen might have a very successful season next winter.

Skiing '70

Through the efforts of Miss Burgess, Comp had a ski team this year for the first time. In doing so she also set another precedent, that of being the only woman coach for an all male varsity team. In some sports practice is drudgery, but for the ski team the theme of the season was fun. Whether jogging along Grattan Street, doing calisthenics in the hallways, or running a course at Mt. Tom, the team had a good time. This is not to say that the season was all one big party . . . just most of it! The team discovered what work was involved when it had its first practice at Mt. Tom. The boys were not given lift privileges but had to climb up the course. Although Miss Burgess did a fine job of handling transportation, organizing, schedulizing, and giving locker room pep talks, she lacked racing experience. To make up for this she solicited the aid of her brother Mike and Tom Kennedy to teach the team how to ski slalom. Both were the top skiers on the Holyoke team that took the Western Mass. Championship in '68 and '69.

The greenness of the team was evident when the boys finished last by a full nine seconds in their first meet. But Kathy's Raiders were not to be put down and so came back in their next meet to beat Catholic. Hopeful of a good finish to the season, the team was disappointed when poor conditions and bad weather forced cancellation of the remainder of the season.

Of the eleven team members, only three seniors, captain Don Plouffe, Ken McKenzie, and Jay Goebel, will be lost. Sophomores Dave Desmaris and Kevin O'Connor can be expected to lead the team again next year when the team will be officially in the Western Mass. Ski League.

Cheerleading

Cheerleading at Comp is a way of life. The season starts in spring with tryouts when many underclassmen vie for the few open spots on the squads. During the summer, practices are held every week to prepare the girls for the long season ahead. With the start of school, the cheerleaders are ready for the soccer and football seasons. The cheerleaders are present at every varsity football game and frequently at home soccer games. In December they start to concentrate on their competition routine while at the same time supporting our basketball players every Tuesday and Friday. Competition is certainly one of the highlights of the year for these girls. They are one of the area's top squads due to their impressive routines and fine performances.

Leaving the squad this year are captain Carol Bakos and co-captain Sue Boronski, and seniors Barbara Downs, Pat Hutcheson, Barbara Morrow, Carolyn Mossey, and Donna Butova.

Although the team lost all of its nine dual meets, the girls met their final test in the Western Massachusetts Swim Meet when Comp placed sixth out of twelve participating schools.
